

Dear Church Family,

There are several things to draw your attention to regarding our opportunity for ministry during this ongoing pandemic and response.

Emmanuel Baptist Church COVID-19 Update: 3/23/2020

Today, Governor Holcomb issued an executive order (20-08) directing Hoosiers to stay at home until April 7. This, of course, is to do all that is necessary and proper to protect the health, safety, and welfare of the public from the evolving threat of the COVID-19 pandemic.

As a result, our **church office will be officially closed until April 7**. There will be a secretary here on Monday and Wednesday (8:00-4:00), if you need to deliver anything or pick anything up. But the lobby will not be open. If you need to contact us, feel **free to call me** at home **(219) 759-3554** or on my cell at **(219) 508-3552**.

We will continue to livestream the Sunday and Wednesday services. Be sure to join us during those times (Sunday @ 10:45 A.M. & 6:00 P.M. Wednesday @ 7:00 P.M.) on Facebook.

Emmanuel Baptist Church COVID-19 Outreach

Ladies that would like to use their talents to be a blessing to the local hospitals and emergency personnel. Patty Rodriguez is coordinating the "sewing" ladies of our church to sew masks for our emergency workers. If you would like to be a help contact Patty via Facebook or call her at home.

God bless you all. I am praying for you.

Pastor John
